LB 647, 885, 988, 1074, 1074A, 1250, 1287, 1287A
1306, 1306A

SENATOR HALL: But when we give...when we give them this grant of power, we give them the authority to do this, in essence, isn't it the...the authority to go in and examine and reappraise a county, aren't we giving them totally that...that ability? Isn't that an option? Unless we deny that, aren't we, in essence, opening the doors to this commission? I mean, they're going to now set the veritable gas tax. They're going to do a number of things that I don't necessarily disagree with. I just want to make sure that I understand...

SPEAKER WITHEM: Time.

SENATOR HALL: ...how much power we're giving them.

SPEAKER WITHEM: Senator Wickersham, followed by Senator Moore.

SENATOR WICKERSHAM: Mr. Speaker, I would intend to move that we recess if the Clerk...

SPEAKER WITHEM: Let's see if there are some items for the record and then we will act upon your motion which is certainly in order.

CLERK: Just one item, Mr. President. Senator Abboud has amendments to LB 988. That's all that I have. (AM4336 on file in the Clerk's office.)

SPEAKER WITHEM: Senator Wickersham, prior to Senator Wickersham's motion, let me announce that I have things I haven't done here yet that I need to. While the Legislature is in session and capable of transacting business, I propose to sign and do sign LB 647, LB 1074, LB 1074A, LB 1250, LB 1287, LB 1287A, LB 1306 and LB 1306A. With that now, Senator Wickersham, thank you for your patience. Senator Wickersham has made a motion...

SENATOR WICKERSHAM: To recess until one-thirty.

SPEAKER WITHEM: ...that the body stand in recess, I assume until one-thirty this afternoon.

SENATOR WICKERSHAM: One-thirty.

SPEAKER WITHEM: All in favor say aye. All opposed. Once
